

INSPIRED TO ELIMINATE HUNGER

January 29, 2024

Your generosity made it possible to provide **241,440 total meals in 2023: 81,440 meals in Lenawee County and 160,000 meals globally** to our friends in Haiti.

Through your commitment of support, together we continue to provide food to kids and their families throughout Lenawee County and villages in Haiti.

Here is a breakdown of how and where your contributions made an impact in 2023:

Locally-

Weekly Local Weekend Backpack Meals:

We deliver meal packs to schools in Adrian, Addison, Blissfield, Britton/Deerfield, Clinton, Hudson, Morenci, Onsted, Sand Creek, and Tecumseh. We provided a total of 50,292 meals in 2023 through our weekend meal pack program.

Local Christmas/Spring Break Meal Packs

Our Christmas Break program delivered 18,200 meals and our Spring Break program delivered 9,700 meals to students throughout the county during these extended breaks.

In 2023 we continued our work with several high schools counseling departments to help support their transient student population with food assistance.

During summer we connect with schools summer programming and the Boys and Girls Club in Adrian and Hudson. The combination of each of our local programs now makes food available to at-risk students anytime they are away from school.

Globally-

In 2023 we had the opportunity to organize six bean and rice meal packing events that enabled us to assist Mission of Hope-Haiti with their nutritional program by packing and shipping 160,000 bean and rice meals. The importance of our Haiti meal packing events cannot be overstated. These events are unique as they are organized not only to pack and ship much needed bean and rice meals to help the people of Haiti but are organized as fundraising events to help fund our local food relief efforts. Our vision to continue to grow our global relief efforts will enable us to help expand our local food relief programs.

As I reflect on 2023 for 192 I am filled with gratitude for you, the people who partner with us to serve kids in our community and in Haiti. I am encouraged by your commitment to our mission and inspired by the people we serve. I am excited to see where God leads us in 2024 by continuing to seek His direction as we move forward.
